_____)	

WHEREAS: In recent years terrorism and workplace violence has skyrocketed. National and local security has been the topic of much concern and discussion.

WHEREAS: The Judicial Branch of the State of Arizona in Maricopa County, a criminal justice agency as defined by A.R.S. §41-1750, seeks to better secure and protect the public and employees that use and visit courthouse facilities.

WHEREAS: The Judicial Branch of the State of Arizona in Maricopa County also needs criminal background check information on persons requesting name changes to ensure that terrorists and criminals are not granted name changes.

WHEREAS: A.R.S. §41-1750 (G)(2) authorizes the Presiding Judge of the Superior Court to adopt an administrative order authorizing criminal background checks for Judicial Branch volunteers and persons requesting Name Changes:

NOW, THEREFORE, IT IS ORDERED:

All current and prospective volunteers for the Judicial Branch in Maricopa County and any persons allowed to occupy Court facilities, such as but not limited to Family Law Assistance Project personnel, Change of Venue personnel, etc., and any person requesting a name change pursuant to A.R.S. §12-601 shall furnish to the Court or its designee a full set of fingerprints to enable the Court to conduct a criminal background investigation to determine the suitability of the individual. The Court or its designee shall submit the completed fingerprint card to the Department of Public Safety in conjunction with the request for criminal history record information. Depending on the availability of funds, the volunteer and/or persons allowed to occupy Court facilities, shall bear the cost of obtaining the individual's criminal history information. The person requesting the name change shall bear the cost of obtaining the individual's criminal history information. Criminal history records checks shall be conducted pursuant to A.R.S. §41-1750 and P.L. 92-544. The Department of Public Safety is authorized to exchange the submitted fingerprint card information with the Federal Bureau of Investigation for a national criminal history records check.

This administrative order shall be effective as soon as reasonably practicable.

DATED: September 1, 2004.

Colin Campbell
